

South Haven Region Business Hub Code of Ethics

The South Haven Region Business Hub (HUB) is a partnership created to share tips and strategies, to provide advocacy for entrepreneurs, to share frameworks for business growth, and to support educational business events.

Everyone can benefit if we all agree to...

1. **Give value.** We will give as much as we take. We will support our group members, share information, and we will build a great community because it takes a community to raise an entrepreneur.
2. **Treat everyone with respect and courtesy.** Trash talk, belittling, or disrespect for each other is not productive. If you disagree with someone, please debate them in a professional and considerate manner.
3. **No harassment.** Each member should feel safe, so stick to professional subject matter. Anyone promoting hate speech will be removed from the group.
4. **No promotions or spam.** Networking is encouraged, but please do not spam the group with offers, ads, or invites. Watch for opportunities to promote your business on our social media.
5. **Keep information confidential.** Members may share sensitive or private information; please do not share with non-group members.

Guiding Principles: Combining collective knowledge, connections, and resources of the community, creating initiatives, and partnerships for *all* our local entrepreneurs.

Tagline: It takes a community to raise an entrepreneur!

Our partners include the South Haven Foundation City of South Haven, South Haven Area Chamber of Commerce, and Lake Michigan College.
