

South Haven Region Business Hub Lakeshore Capital Consortium

The Lakeshore Capital Consortium helps small business located throughout Van Buren County and the Lakeshore area access the capital they need in order to get off the ground or expand.

The Consortium consists of non-profit lenders, for-profit lenders, and other funders who work together with the South Haven Region Business Hub to improve access to capital resources.

[Applicants fill out a short form](#) including information about their business and their capital needs, and Lakeshore Capital Consortium members will contact the business directly if they are interested in assisting them. The Lakeshore Capital Consortium does not guarantee a loan will occur; it is a referral service to help connect small business owners and lenders.

Non-profit Lenders

- Community Development Financial Institutions
- Low Interest Lenders
- Angel Investors
- Crowd-funding/Loans

Our Mission: Making the South Haven Region a place where entrepreneurs want to start and grow.

For-profit Lenders

- Commercial Banks
- Credit Unions

Please note this form is not a loan or grant application and there is no guarantee of approval from any of the members. If one of the Consortium members is interested in working with your business, they will contact you for more information.
